

Antonio, Trishia Mae S.

WD-302

## Outputs

### Student Form Page

The screenshot shows a web browser window with the URL `localhost:5173/student`. The page has a navigation bar with `Student` and `Admin` links. The main heading is `Student Form`. Below it is a form with the following fields:

- `Student ID`:
- `First Name`:
- `Last Name`:
- `Section`:
- `Submit`:

Below the form, there is a `Server Response:` section showing the following JSON data:

```
{
  "message": "Student data received successfully!",
  "student": {
    "studentID": "20952617",
    "firstName": "Trishia Mae",
    "lastName": "Antonio",
    "section": "WD-302"
  }
}
```

## Admin Form Page

Student Admin

### Admin Form

Admin ID
